

# GOLDENSTONE® Summer Windscreen Wash Fluid

## Technical Data Sheet (TDS)

### Description and Application

The summer windscreen wash fluids **Goldenstone®** are formulated from denaturated ethyl alcohol, water and a carefully balanced selection of surfactants, 'lubricity' components, dye and fragrance.

The summer windscreen wash fluids **Goldenstone®** are intended to fill in the windscreen wiper reservoirs of the automotive vehicles. They are used for washing and cleaning of car windscreens. Thanks to their active cleaning components, they readily remove all types of traffic contaminants such as dust, bugs, flies, etc. to give instant clear vision.

Summer Screen Wash **Goldenstone®** is available in two varieties - **Summer Screen Wash Goldenstone® concentrate** - which should be diluted with distilled or soft water in ratio 1:3; and **Summer Screen Wash Goldenstone® ready for use** - which is ready-to- use and needs no dilution.

### Benefits

- Exhibit enhanced detergent properties to readily remove organic contaminations by insects
- Based predominately on bio-alcohol
- Free from Methanol, EDTA, phosphates, amines or nitrites, MEK, Ethyl Acetate, acetone.
- Contain aversive bittering agent to prevent accidental ingestion.
- Medium foaming to facilitate efficient filling operation
- Compatible with polymeric materials

### Typical Characteristics

Parameter	Test Method	Typical Value	
		Concentrate	Ready for use
Appearance	visual	Clear fluid	
Colour	visual	green	Light green
Density at 20°C, g/cm <sup>3</sup>	ASTM D 1122	0.985	0.998
Lacquer test	ASTM D 1882	pass	
pH	ASTM D 1287	8.5	7.8

Important note: typical data values do not constitute a specification but are an indication based on current production and can be affected by allowable production tolerances. The right to make modifications is reserved.

### Health, Safety and Handling

This product is classified as dangerous and requires special labeling. The use of this product should be in accordance with the guidelines for safe handling in the safety data sheet
